

MACARON

design Laura Silvestrini

Il **progetto Macaron** esprime una dualità estetica, dove la purezza delle linee incontra un’attenzione meticolosa ai dettagli strutturali. La collezione si distingue per un **morbido sedile a due strati** imbottito, un cerchio perfetto che evoca armonia e serenità, richiamando l’immagine del celebre pasticcino francese.

***The Macaron project** embodies an aesthetic duality, where the purity of lines meets meticulous attention to structural details. The collection stands out for its soft, **two-layer padded seat**, a perfect circle that evokes harmony and serenity, reminiscent of the image of the iconic French pastry.*

**WINNER
BEST FURNITURE
CATEGORY**

La **collezione Macaron** vince la categoria Best Furniture al **Cruise Ship Interior Awards 2020**, prestigioso riconoscimento internazionale che premia le eccellenze dell’interior design per navi da crociera e yachts. La collezione di sedute Macaron unisce all’Italian design uno straordinario livello di comfort ed è progettata per rispondere alle esigenze specifiche degli interiors navali.

***The Macaron collection** won the Best Furniture category at the **Cruise Ship Interiors Awards 2020**, a prestigious international recognition that honors excellence in interior design for cruise ships and yachts. The Macaron seating collection combines Italian design with an extraordinary level of comfort and it is designed to meet the specific requirements of naval interiors.*

MACARON BERGÈRE & POUF

design Laura Silvestrini

La **Macaron bergère** presenta tutte le caratteristiche di un prodotto sviluppato per il settore contract: il comfort di **uno schienale alto e avvolgente**, caratterizzato da un ampio poggiatesta che crea uno spazio di intimità. Un **profilo in legno curvato** circonda la base della seduta, terminando nelle gambe anteriori. Il profilo caratterizza l'estetica dell'intera poltrona, esibendo un tratto raffinato e contemporaneo. Il pouf coordinato completa l'ambientazione.

***Macaron bergère** displays all the features of a product developed for the contract sector: the comfort of a **high enveloping backrest**, characterized by a large headrest that creates an intimacy space. A **curved wooden profile** encircles the base of the body, finishing in the front legs. The profile characterizes the aesthetic of the entire seat by exhibiting a refined and contemporary trait. The matching pouf complete the setting.*
